Many thanks for attending ,sorry the Trial was cut short but the good news is that Roy Hartley had a stent fitted on Saturday evening a further op on Monday & is apparently making a recovery & he hopes to be home by the weekend. I am sure we all wish him a speedy recovery.
The results are at the break after 16 hills.

Next Sporting trial is scheduled for Sunday 19th June at a new venue a couple of miles north of Lifton ,hope to see you there.
Regs & entry forms will be emailed out but also watch website & facebook
