

LAUNCESTON & NORTH CORNWALL MOTOR CLUB LTD.

## 71st TAMAR CLASSIC RELIABILITY TRIAL

**SUNDAY 22nd OCTOBER 2017**

Launceston & North Cornwall Motor Club and MG Car Club Devon & Cornwall Centre welcome you to the 71st Tamar Trial to be held on Sunday 22nd October 2017.

This year's Tamar route will be staying in the Mid/North Cornwall and West Devon area and we have reduced any mileage on the dual-carriageway to as little as possible. We are again using the starting area at Martin's Cash & Carry and Launceston Football Club venue which is just a short distance from the A30 dual-carriageway and less than 2 miles from our finish at The Winds of Change, South Petherwin.. The trial will of course include the favourite hills of recent years and as always we strive to include some new sections to keep the event varied each year. Last year we were pleased to be able to complete the trial in daylight and we hope to do so again.

We are once again running the car side of the trial under a dual-permit. This allows non-championship contenders or those who perhaps only enter a few events over a year the chance to participate in the trial without the need for a competition license. For the Cars, Lockton's have introduced a flat rate scheme of £5.50 plus IPT per vehicle for on-event cover which will ensure that all competitors are appropriately covered. Motorcycle competitors will again this year benefit from being covered for road mileage under the normal authorization insurance certificate, meaning separate cover is not required.

We look forward to offering you a good day's trialling in a beautiful part of Devon and Cornwall.
